### Oxygen Absorbers

Oxygen Absorbers are included in each packet to extend the shelf life of the biltong.

Minimum order = 20 packets. Prices are subject to meat price volatility. All products are prepared fresh and clients are requested to give 24 to 48 hours for collection after the order is placed. All our beef products are made with pure beef - no heart, liver, lungs or soy is used in any beef mixture, droewors or sticks. Game biltong is subject to availability. We are NOT halal.
